

## Letter of Recommendation

The *Dorcas Project*, which is a sub-ministry of Grace2Russia started by Grace Baptist Church of Greenville, Pennsylvania, will always seek to respect the position of authority given to each local church and pastor. With such in mind, we desire to have record that we have done our due diligence to do so. If you would be so kind as to fill this out and send it to us, we can involve your interested church members in this special ministry to orphans and street children in Russian-speaking countries.
