June Journeys

We hosted a party celebrating the end of our deputation journey. Our family purchased pizza and drinks, inviting everyone to attend. Praise the Lord for the approx. 50 people that showed up!

Cherith, our youngest daughter, was dedicated on Sunday, June 18th during the Father's Day service at our home church. We greatly desire that she grow up to be a servant of God.

Katrina is such a wonderful lady. I am really thankful for her. [No, this is not Katrina writing this for me.] Amid the stress of moving and the many problems swirling around, she is smiling. What a great example for Vivian.

Packing, Prepping, and Praising!

Wow, by this time next month, we will be writing our prayer letter from Ukraine!

Time has flown by this month as we were busily boxing things up to sell or donate, navigating through the process of shipping our van overseas, choosing what to send and what to store. [We're now on a first name basis with our local Fedex location.] We both appreciate the families in our sending church that volunteered and/or were willing to watch the children as we focused on preparing and packing to leave for the mission field. A couple even took time off work to help. This was indeed a blessing as both children caught pink eye and baby Cherith has been to the hospital twice now over ear infection concerns.

With the most recent statement from All Points Baptist (the clearinghouse), it looks like God has supplied 100% of the minimum support goal we needed! We are really thankful for that. In addition to that, the goal we had for our GoFundMe campaign for moving expenses (\$1,400) was exceeded. A vehicle will be very useful for both personal use and ministry! We would like to say, "Thank you" to everyone who has been involved in this success. We count you a blessing.
