## Marching through March

On what Russia celebrates as International Women's Day, Katrina made a point of having a Bible study and discipling a lady in our area that we led to Christ two years ago. (Greenville, PA)

Vivian is loving her little sister Cherith; the two sisters are almost inseparable! I wish we could share with all of you the video of Vivian meeting her baby sister for the first time. It is so precious! Children are a blessing. (Hermitage, PA)

Despite having a new baby and dealing with the associated recovery, we have found ways to continue traveling to meetings on deputation. It has been a blessing having both our mothers with us to help this month. (Smithfield, PA)

## Another Announcement!

For the past few months, we have been working hard to prepare and finalize plans to launch a sub-ministry of Grace2Russia. Just as Grace2Russia is a ministry of a local church, the Dorcas Project will be the same. It is our hope that pastors and their churches will join in to make our efforts fruitful. The goal of the Dorcas Project is to build a bridge for the Gospel by demonstrating to the orphans and street children we Russia that we love them with the unconditional love of Christ, which makes each child special and valuable. Our plan is for the members of local, independent Baptist churches to obtain a letter of recommendation from their pastor and then be involved in sending the sewn, purchased, or hand-made items overseas. More detailed information will be available for each project. Blankets, birthday cards, school supplies, and many other things will be gathered and sent to us for personalized distribution. God-willing, many children will hear and seriously consider the Gospel for the first time. These efforts will be a tremendous blessing to our ministries and those of the O'Brien family in Ukraine. Please consider this exciting project if you can sew, like crafts, or just love children - and contact your pastor about your desire the help.

### Praises

Our daughter, Cherith Hope, was born on March 11th. She was 9.5 lbs and 21.5 inches long!

We heard from both churches we visited in Texas: they are both taking us on for financial support!

### Prayer Requests

For the salvation of Russian leaders and for the safety of missionaries serving there.

That the missionary duplex building project in Ukraine gets privatized and approved.

For a Russian-speaking Muslim gentleman from Uzbekistan named Mike. He was witnessed to and given both a Gospel tract and New Testament.

Pray for good prices on international plane tickets for our family as we purchase them this month.
